Self Made: Real Australian Business Stories

As any business owner knows, there's a big difference between starting a business and the day to day reality of running one - so what makes some more successful than others?. In the pocket-sized book *Self Made: Real Australian Business Stories* (Busybird Publishing, RRP\$20.00), eight Aussie business owners share their personal stories of starting and running their own successful small businesses. The authors are from a variety of industries including finance, insurance, locksmithing, publishing, real estate, marketing, printing and communication, each of them sharing their trials and tribulations, the mistakes they've made, things they would do differently and the secrets they've learned to build and sustain thriving businesses. If you're in a start-up, or looking to kick start profits and productivity, *Self-Made: Real Australian Business Stories* provides an abundance of practical advice to ensure your own business success!
